

The most wonderful good morning to everyone,

thanks a lot for sending your previous assignments – good job everyone 😊

I hope you`ll work on your new task just as motivated...

- 1) Choose your favourite song. (...your favourite English song, of course)
- 2) Listen to it a couple of times to really understand the lyrics. (Yes, you can easily find the lyrics on the internet – but where`s the fun in that?)
- 3) Sum up the story of your song in your own words. (write a coherent text)
- 4) Watch the video. Explain the story that is told by the video, pointing out all the differences between the lyrics and the video, concentrating on effects, tricks, etc....
- 5) Comment on the video: How did you like it? Did it meet your expectations? Does it transport the lyrics` message? What would you do differently if you were the director or producer?
- 6) Retell the story of the song by designing a colourful comic strip. Use lots of speech bubbles, thought bubbles and text boxes.
- 5) Do some research on the singer or band and portray them in a coherent text. (Do not just copy from Wikipedia or so, I might check on that ...)
- 6) Find another song either by the same interpret or about the same general topic / message and write a coherent comparison of the two.

*Type all the assignments on your computer. If you`d rather create a PowerPoint presentation (including parts of the song, the video, photos...) you`re more than welcome to do so, I`m looking forward to your creativity. **Please hand in your results till April 3 via e-mail.***

For those who decided to work on individual reading logs: carry on. 😊 Of course, you don`t have to send those via mail, just hand them over when we see each other in person again.

Either way, be creative, enjoy, have fun! Stay at home and take care ♥!
