→ Nordirland: Filme online – Planet Schule – Schulfernsehen

→ Northern-Ireland conflict – slide show (Ann Michaelsen)

→ The Troubles by Edward Atkinson on Prezi

2. *Torn away* by James Heneghan

Imagine you are Declan. It's your first day at school after the Christmas holidays. You tell your Canadian classmates about Northern Ireland and why you finally decided to stay with Matthew Doyles' family.

Refer to your family's neighbour Mr. O'Malley (→ detention policy, Maze prison, hunger strikes, riots in Belfast and Derry); see pages 7 and 8; p.117

Refer to your Mum's and sister's death; see pages 78-81

Refer to Brendan Fogarty's gang 'The Holy Terrors' (→ Falls Road, Ballymurphy Area, Skanhill Road; terrorist activities) see pages 18 and 19; pages 50 and 51; pages 68 and 69; p.72; pages 90 and 91

Refer to your dad's 'story' (→ Belfast's IRA second-in-command, blackmailed to be informer for the Ulster Police, finally shot by the IRA) see pages 123, 124, 125, 129

You might find it useful to look up some of the keywords on the internet.

Good luck for your work and best wishes for your and your family's health.
