

Dear all,

attached you will find your tasks for the upcoming fortnight (the next two weeks).

Please work on the tasks provided. They will be discussed next time we meet.

See you soon and good health!

Task 1:

The novel ends with chapter 26 that sees Tom realising:
"No matter what I did, I could never be Tom Harvey again."
(p. 243, l. 31).

Write a twenty-seventh chapter (or epilogue) for the novel. You can use the following ideas for the chapter:

- the above statement
- reflect on what happened in the previous chapters
- can Tom ever be normal again?
- the (changed) relationship between Tom, Lucy, Gram and Ben
- the situation in Crow Town after the novel's finale
- ...

Task 2:

Write a book review (as you would for an online retailer) in which you outline the novel's general plot.

Task3:

Also write a comment if you would recommend the novel for the next EF (give reasons).

Here is some good help:
